Current position since January 2019. Provides local administrative leadership for Extension programs in Clackamas County, southeast of Portland, Oregon and administrative leadership for agricultural research and Extension programs in the seven county North Willamette Valley. Includes oversight of approximately 50 faculty and staff located at two locations—Clackamas County Extension office in Oregon City and the North Willamette Research and Extension Center in Aurora. Primary duties include: strategic planning, personnel management, budgeting, facilities and operations, fund development, and community and stakeholder relationships. Also, responsible for mentoring new Extension Regional Director for Portland Metro counties and transitioning administrative leadership over the new Director over the next 18 months. Finally, provide leadership and oversight for planning, construction, and fundraising for the new Extension Education Center in Oregon City expected to break ground in 2019 with move in projected in 2020 while raising the three million dollar fundraising goal.

Previous Positions

Extension Regional Administrator—Clackamas Region and Director of the North Willamette Research and Extension Center, see addresses above; January, 2011 through December, 2018. Provided administrative leadership for Extension and research programs in the Clackamas region, southeast of Portland, Oregon and in the North Willamette Valley. Included oversight of nearly 50 faculty and staff located at two sites with responsibility for strategic planning, personnel management, budgeting, facilities and operations, fund development, and community and stakeholder relationships.

Extension Agent—Forestry and Natural Resources and Staff Chair, Oregon State University Extension Service, Clackamas County Office, Oregon City, OR 97045; October, 1999 through December, 2010. Provide educational and applied

research support to non-industrial private woodland owners, professional foresters, Christmas tree growers, and the public (0.60FTE). Administrative leadership supervising 15 faculty and staff, managing budgets and working with community stakeholders (0.40FTE).

Extension Agent—Forestry and Natural Resources, Oregon State University Extension Service, Clackamas County Office, Oregon City, OR 97045; April, 1985 through September, 1999. Provide educational and applied research support to non-industrial private woodland owners, professional foresters, Christmas tree growers, and the public.

Extension Agent—Forestry, Oregon State University Extension Service, Clatsop County Office, Astoria, OR 97103; July, 1978 to April, 1985. Provide educational and applied research support to non-industrial private woodland owners, professional foresters, and the public.

Instructor of Forestry, Glenville State College, Glenville, WV 26351; August, 1975 through June, 1978; taught in two-year technical forestry program; classes included forest measurements, photogrammetry, ecology, forest protection, soil science, and ornamental plant materials.

Educational Background

Masters of Forestry Science (1977), University of Canterbury, New Zealand; January, 1974 to August, 1975; Fulbright Scholar.

Bachelor of Science, Forest Management (1973), Iowa State University, Ames, IA; September, 1969 to May, 1973; Honors Program.

Personal Information

Married to wife, Connie, since 1974; adult son, Aaron, lives and works in Bend, OR. Married and one child.
